Earth Friendly Tip

Pack a Waste Free Lunch

A waste-free lunch means that you have no packaging to throw away when you're done - nothing other than apple cores, banana peels and cherry pits.

The best way to reduce garbage is to not create it!

THANK YOU

Liberty Park would like to give a big THANK YOU to all residents for your assistance in preparing for the hurricane this past weekend. Your due diligence helped to ensure the safety of all and kept the property damage to a minimum. We could not have accomplished this without you!

Liberty Park at Andrews would also like to thank our partners: Command, CE, Denison and all our other contractors for their quick response after the storm in getting the neighborhoods cleaned up.

Be aware that this is only the beginning of hurricane season which runs through November 30th.

MOVIE NIGHT ON THE LAWN RECAP

Liberty Park's first *Movie on the Lawn* night was a success. On Wednesday, August 10th, approximately 50 people attended the showing of "Despicable Me" on the lawn at the Welcome Center.

The staff of Liberty Park ran the Concession stand providing popcorn, candy, sodas and juice free of charge. Those who attended provided positive feedback for this event and we look forward to hosting another movie on the lawn.

IN THE COMMUNITY

A new crosswalk has been put in place on San Antonio and Tuskegee. The new crosswalk will assist families and children who walk to Imagine Andrews PCS. A reminder that the speed limit on San Antonio and Tuskegee is **25 mph** and **15 mph** in residential neighborhoods.

In preparation of daylight savings time (November 6th) we will have an electrical contractor out in the neighborhoods inspecting broken and or non-working street lights. If you are aware of a street light on your street or in your neighborhood that is inoperable, please contact the Maintenance Department - 301-599-1418 to report the location of the street light.

YARD OF THE MONTH

It is that time of year when we recognize those who take the time and put forth the effort to make their yards look spectacular! Congratulations to the winners for the month of August: The Fiesbeck family, Tillman family, Watson family, Cummings family, Fitzpatrick family and the Iglesias family.

Thanks to all who helped contribute to another successful season. Pictures are of winning landscapes from August.
